[whitegumairpark.com.au](http://whitegumairpark.com.au)

Traditionally, the ASRA Nationals are held over the Easter long weekend. However, this year it will be held on the weekend of the 1-2nd May 2021 in York, Western Australia. At a burgeoning tourist attraction in the Avon Valley called, White Gum.

White Gum consists of two adjoining properties in Western Australia's wheatbelt catering for the recreational pilot and aircraft owners; together with general tourism, camping and caravan facilities.

Western Australia's wheatbelt spans across 154,862 square kilometres in the south west of Western Australia and has five subregions: Central Coast, Central East, Central Midlands, Wheatbelt South and Avon where York is situated.

York is the oldest inland town in Western Australia. Situated on the Avon River, York is approximately a 90-minute drive from Perth

City or 60 minutes from Midland. York is a small country town with some wonderful sights and friendly people. Visitors to York often pay a visit to the Motor Museum, Residency Museum or perhaps the Mount Brown lookout.

### **737-200 Project**

Surrounding York we have parachuting at Brooklands, gliding at Beverley and Cunderdin plus the Ettamogah Pub close to Cunderdin and ballooning at Northam, all within a reasonable flying distance from White Gum.

A visit to Bindoon will showcase many varieties of gyrocopters and fixed wing aircraft.

### **MIG 21 Project**

### **Relax Time at Lake Kimberley**

There is much to see and do at White Gum for those that need a more relaxing time...

Breakfast, lunch and dinner are available from Lake Kimberley Bar & Grill.

How about a spot of catch and release fishing in the lake? Or even take a dive from the jetty into the (very) cool water.

Cabin accommodation is available on site with bedding, linen, pillows, sheets, blankets & towels supplied. Get up close and personal with a Boeing 737 and a MIG 21. Perhaps a stroll to 'The Edge' and 'Eagles Nest' to see the sun set in the west...

**\*For Accommodation please either phone Nick on 0408 923 710 or email [nick@gyrocopterflights.com.au](mailto:nick@gyrocopterflights.com.au)**
